RESEARCH INTERESTS Primary Fields: Health Economics, Economics of Ageing, Labor Economics
Secondary Fields: Applied Econometrics and Quantitative Methods

ACADEMIC APPOINTMENT ***Associate Professor of Public Health (Health Policy) and Economics***
School of Public Health, Yale University, 2020-
Graduate School of Arts and Sciences, Yale University, 2020-
Department of Economics, Yale University, 2020-
School of Medicine, Yale University, 2020-
Assistant Professor of Public Health (Health Policy) and Economics
School of Public Health, Yale University, 2012-2020
Department of Economics, Yale University, 2013-2020
Graduate School of Arts and Sciences, Yale University, 2012-2020
School of Medicine, Yale University, 2012-2020
Faculty Research Fellow 2020-
Yale Alzheimer's Disease Research Center (ADRC), 2020-
President-Elect 2016-2018; ***President*** 2018-2020
China Health Policy and Management Society (CHPAMS), USA, 2016-
Faculty Fellow
Institution for Social and Policy Studies, Yale University, 2013-
Yale Institute for Network Science, Yale University, 2015-
Yale Climate Change and Health Initiative, 2015-
Faculty Advisor
Chia Family Health Fellowship, Yale-China Association, 2014-
Fox International Fellowship, Yale Macmillan Center, 2017-
Research Fellow
MacMillan Center for International and Area Studies, 2013-
Institute for the Study of Labor (IZA), Germany, 2014-
Global Labor Organization (GLO), 2017-
China Center for Economics of Human Development, 2018-
Research Cluster Lead
Environment and Human Capital
Global Labor Organization (GLO), 2017-
Alumni Affiliate
Cornell Institute on Health Economics, Health Behaviors & Disparities, 2017-
External Grant Reviewer
Economics Program, National Science Foundation (NSF), United States, 2015-
Research Council of Norway, Norway, 2015-
Senior Consultant
World Institute for Development Economics Research, United Nations 2012-
Research Institute for Social Development, United Nations 2013-
Council Member
Yale-SJTU Joint Center for Health Policy, 2020-
Co-leader of Academic Events
Yale Program on Aging, 2018-
Yale PEPPER Center, 2018-

EDUCATION

Ph.D. in Applied Economics, The Charles H. Dyson School of Applied Economics and Management, Cornell University, 2012

Dissertation: “Essays on Social Networks: Relative Concerns, Social Interactions, and Unintended Consequences”

Advisor Committee: Ravi Kanbur, Robert Frank, David Sahn and Xiaobo Zhang

Graduate Certificate in Chinese and American Studies, Paul H. Nitze School of Advanced International Studies Nanjing Center, Johns Hopkins University, 2006

M.S. in Agricultural Economics, College of Economics and Management, Nanjing Agricultural University, China, 2007

B.A. in Finance, College of Economics and Management, Nanjing Agricultural University, China, 2004

WORKING PAPERS

2020. “Gender Differences In The Effects Of Retirement On Healthcare Utilization: New Insights From Healthcare Data In China” (with Jody Sindelar, Ruo Chen Sun, Tianyu Wang)

2020. “Tracking Long-Term Care Cost for home and community-based services in China from 2005 to 2050: Retrospective and Prospective Measures based on the Chinese Longitudinal Healthy Longevity Surveys” (with Haiyu Jin, Yanfang Su et al.)

2020. “Role of Professionalism in the Policy Response to COVID-19: Does a Public Health or Medical Background Help?” (with WZ Lai, X Li, QQ Wan). Available at SSRN: <http://dx.doi.org/10.2139/ssrn.3713238>

2020. “Health Over the Life Course: The Machine Learning Approach” (with ST Huo, D. Feng, T. Gill et al.)

2019. “Heat Waves and Cognitive Performance: A National Longitudinal Study in China” (with X. Zhang and XB. Zhang).

2019. “Investing in the Womb: Identifying Discrimination through the Lens of Prenatal Ultrasound Scans”. (with Neha Anand), *6th Biennial Conference of the American Society of Health Economists*; winning *The Ronald Meltzer & Cornelia Awdziejewicz Award*.

2019. “Gender Gap in Quality of Healthcare Revisited: A Standardized Patient Audit Study in Urban China” (with Yafei Si; Min Su; Zhongliang Zhou).

2019. “Associations between obesity and developmental impairment of preschool children in Germany ” (with WN Liu et al.)

2019. “Measuring spatial accessibility and disparity to county hospitals in western China: based on the web map navigation data” (with Chi Shen, ZZ Liang et al.)

2019. “Extreme Temperature Exposure and the Mental Health of the Middle-aged and Elderly” (with RC Sun, XZ Qin, YR Chen)

2018. “Spatial Identification of Stigma Behavior Through Social Networks: Peer Effects on Paid Blood Donation”, *under review. IZA Discussion Paper No.11413*.

2017. “Gone with the Blue Sky: How Does Air Quality Affect Online Shopping?”. (with Yuan Liu, Yao Wang).

REVISE &
RESUBMIT

2013. "Peer Effects, Risk-Pooling and Status Seeking: What Explains Gift Spending Escalation in Rural China?" (with R. Kanbur. and XB. Zhang.) *IFPRI Discussion Paper no.1151, Dyson School Working Paper 2012-04, CEPR Discussion Paper no.8777, under review.*

2020. "Something in the Pipe: Flint Water Crisis and Health at Birth". (with Wang, R.and X. Li.) R&R at *Journal of Population Economics. IZA Discussion Paper No. 12115.*

2020. "Optimal Travel Restrictions in Epidemics" (with Yun Qiu, Wei Shi, Pei Yu) *Journal of Urban Economics.* [http://dx.doi.org/10.2139/ssrn.3665543.](http://dx.doi.org/10.2139/ssrn.3665543)

2020. "Environmental Stressors and Suicide". (with Macro Sun, Xin Zhang) Reject & Resubmit at *Journal of Environmental Economics and Management.*

2020. "Smog in Our Brains: Gender Differences in the Impact of Exposure to Air Pollution on Cognitive Performance". (with XB. Zhang. and X. Zhang) *IZA Discussion Paper No.10628; IFPRI DP 01619; GLO DP 32.*

2020. "Old Age Support and Intergenerational Ties in Rural China". R&R at *The B.E. Journal of Economic Analysis and Policy.*

2020. "Costly Posturing: Social Status, Squeeze Effect and Early Child Development" (with XB. Zhang.) *United Nations University-World Institute for Development Economics Research (UNU-WIDER) Working Paper no. 2012-070, IFPRI Discussion Paper no.01206, IZA Discussion Paper no.10662, R&R at Journal of Health Economics.*

2020. "Identification and Estimation of a Structural Pairwise Regression Model with Individual Heterogeneity", (with Z. Shi.) *American Economic Association Meetings 2013. under review.*

2020. "The role of institutional trust in preventive and treatment-seeking behaviors during the 2019 novel coronavirus (2019-nCoV) outbreak among residents in Hubei, China" *Health Policy*
